

ALL WEAPONS TRANSFERS MUST COME FROM A FFL HOLDER

- 1: By serving as the agent in Dealer-To-Dealer transactions Wild West Gun and Gold will receive the weapons from the seller's dealer and complete the required paperwork.
 - 2: The license will only be valid for the business listed on the FFL and is nontransferable.
 - 3: The fee for providing this service is \$35.00 per handgun per transfer. (I.e. if you are transferring two (2) weapons from the same dealer or different dealers it will cost you \$70.00).
 - 4: If we receive a weapon with NO information before hand then there will be an additional \$15.00 charge per weapon per transfer.
 - 5: Any company that we do not have a FFL on file must provide us with a copy before the weapon is shipped to our store. This copy can be faxed (904) 693-2232 or mailed to Wild West Guns and Gold including their phone number and contact name. Every FFL must include your name, make, model and serial number of the gun.
 - 6: Once the firearm is received by Wild West Guns and Gold you will then fill out the required paperwork. This paperwork includes the necessary federal form (4473).
 - 7: If we receive a gun to transfer to you, and you are unable to obtain the firearm for any reason including but not limited to being denied by the Florida Department of Law enforcement (F.D.L.E) or by your admission on the federal form (4473), you will be responsible for the shipment and charges that apply to ship the firearm back to the original dealer. If no such arrangements are made within thirty (30) days the weapon will become property of Wild West Guns and Gold.
 - 8: Any exceptions to the above agreements must be made in advanced and may incur an additional fee.
 - 9: Wild West Guns and Gold will not be held liable for the condition of the weapon. Any warranties are solely between the purchaser and the original dealer.
